IPT LifeSaver Series™

IPT-MT-7038-LiP

Upgrade safety & performance with IPT LifeSaver Series™ Lithium Polymer batteries for your Motorola® APX™ radios.

Guaranteed Quality

Impact Power Technologies designs and manufactures high-quality, safe and efficient batteries, chargers and portable power solutions.

Our products undergo extensive testing at every phase of production to ensure safety and reliability for your critical applications. IPT batteries are made using the highest quality cells, proper operational safety circuitry, and strong, durable cases that can withstand a one-meter drop onto concrete.

IPT Warranty

IPT LifeSaver Series™ Lithium Polymer batteries are guaranteed to be free of defects in materials and workmanship and will maintain 80% of rated capacity for 30 months.

**Please contact us for intrinsically safe information.*

Features

Longer Run time: >20 hours

Longer Lifecycle: ≈ 900

Lighter Weight: 150g

Specifications

Model: IPT-MT-7038-LiP

Chemistry: Lithium Polymer

Operating Temp: -20°C to +60°C

Capacity: 3000 mAh

Operating Voltage: 7.5
