IPT LifeSaver Series™

IPT-HA-7300-LiP

IPT LifeSaver Series™ Lithium Polymer batteries for your Harris/M/A-Com radios.

Guaranteed Quality

Impact Power Technologies designs and manufactures high-quality, safe and efficient batteries, chargers and portable power solutions.

IPT products undergo extensive testing at every phase of production to ensure safety, performance and reliability for your critical applications. Our batteries are made using the highest quality cells, proper operational safety circuitry, and strong, durable cases that can withstand a one-meter drop onto concrete.

IPT Warranty

IPT LifeSaver Series™ Lithium Polymer batteries are guaranteed to be free of defects in materials and workmanship and will maintain 80% of rated capacity for 30 months.

Features

Longer Run time: >27 hours

Longer Lifecycle: ≈ 900

Lighter Weight: 185g

Specifications

Model: IPT-HA-7300-LiP

Chemistry: Lithium Polymer

Operating Temp: -20°C to +60°C

Capacity: 3600 mAh

Operating Voltage: 7.5
