

IPT-MT-4409-Li34

Upgrade safety & performance with IPT Extended Life batteries for your land mobile radios.

Guaranteed Quality

Impact Power Technologies designs and manufactures high-quality and efficient batteries, chargers and portable power solutions.

IPT products undergo extensive testing at every phase of production to ensure safety, performance and reliability for your critical applications. Our batteries are made using the highest quality cells, proper operational safety circuitry, and strong, durable cases that can withstand a one-meter drop onto concrete.

IPT Warranty

IPT Extended Life batteries are guaranteed to be free of defects in materials and workmanship and will maintain 80% of rated capacity for 24 months.

Features

Longer Run time: **24 hours**

Longer Lifecycle: **≈ 500+**

Lighter Weight: **130g**

Specifications

Model: **IPT-MT-4409-Li34**

Chemistry: **Lithium Ion**

Operating Temp: **-20°C to +60°C**

Capacity: **3400 mAh**

Operating Voltage: **7.4**
