IPT Lithium Ion

IPT-MT-4409-LiIS

Maximize your radio's performance with Impact Power Technology high-capacity Lithium Ion batteries for your Motorola® APX™ and XPR series radios.

Guaranteed Quality

Impact Power Technologies designs and manufactures high-quality, safe and efficient batteries, chargers and portable power solutions.

Our products undergo extensive testing at every phase of production to ensure safety and reliability for your critical applications. IPT batteries are made using the highest quality cells, proper operational safety circuitry, and strong, durable cases that can withstand a one-meter drop onto concrete.

IPT Warranty

Impact Power Technology batteries are guaranteed to be free of defects in materials and workmanship and will maintain 80% of their rated capacity for 12 months.

**Please contact us for intrinsically safe information.*

Features

Longer Run time: **>24 hours**

Longer Lifecycle: **≈ 500+**

Specifications

Model: **IPT-MT-4409-LiIS**

Chemistry: **Lithium Ion**

Operating Temp: **-20°C to +40°C**

Capacity: **3400 mAh**

Operating Voltage: **7.4**
