

IPT-XL200PLi

Maximize your radio's performance with Impact Power Technology high-capacity Lithium Ion batteries for your Harris XL185P and XL200P radios.

Guaranteed Quality

Impact Power Technologies designs and manufactures high-quality and efficient batteries, chargers and portable power solutions.

IPT products undergo extensive testing at every phase of production to ensure safety, performance and reliability for your critical applications. Our batteries are made using the highest quality cells, proper operational safety circuitry, and strong, durable cases that can withstand a one-meter drop onto concrete.

IPT Warranty

Impact Power Technology batteries are guaranteed to be free of defects in materials and workmanship and will maintain 80% of their rated capacity for 24 months.

Features

Longer Run time: **16-18 hours**

Longer Lifecycle: **≈ 500**

Specifications

Model: **IPT-XL200PLi**

Chemistry: **Lithium Ion**

Operating Temp: **-20°C to +60°C**

Capacity: **5000 mAh**

Operating Voltage: **7.2**

Rated: **IP68**
